▶▶▶ ATTENTION: THIS IS ▶▶▶ **zita.**

Zita - **DESIGN PLUS** awarded with the Design Plus Award - takes us back to the crazy 70ties and creates wonderful lighting accents. Zita is available in cross section dimensions from 200 to 600 mm and offers a wide range of applications - Zita harmonizes in private living rooms as well as in shops, showrooms, dining and lounge areas. Because of the elegant simplicity, Zita can be integrated easily in all kinds of interior design. Available as pendant, table- and floor lamp, in the colour-combinations white/white and white/ melon. Design: Cee-ID.
